CIVIL ENGINEERING COLLEGE, MADRAS.

The 2nd March 1874.

SECOND DEPARTMENT.

Examination for Scholarships.

The Annual Competitive Examination for the 5 Government Scholarships of Rs. 7½ per mensem, to be held for two years by students of the classes established at the Civil Engineering College, Madras, for educating Overseers for the Public Works Department, will be held at 10 A. M. on 1st and 2nd May 1874.

Candidates at or near Madras will be examined at the Civil Engineering College, and those in the Mofussil at the District Engineer's Office of the District in which they reside.

The subjects of examination are English, Dictation, and Grammar.

Arithmetic—The whole.
Euclid—First 4 Books.
Algebra—As far as Simple Equations.

Candidates wishing to compete at the above Examination must send their applications to the Principal, Civil Engineering College, together with the undermentioned Certificates by the 20th April, after which date no application can be received.

Certificates of age (or baptism in case of Christians).
Certificate of health.
Certificate of vaccination or having had small-pox.
Certificate of conduct from last school or tutor.

The above Scholarships are open to all Candidates under the age of 22 years.

SECOND DEPARTMENT.

Entrance Examination.

An Examination of Candidates for admission into this Department will be held on the 1st and 2nd May 1874.

2. Civil Candidates are required to have their names registered at the Civil Engineering College before the 20th April 1874.

3. Candidates must be over 18 and under 22 years of age, and when registering their names must furnish the following Certificates :—

Certificates of age (or baptism in case of Christians).
Certificates of health.
Certificates of vaccination or of having had small-pox.
Certificates of conduct from last school or tutor.

4. Candidates at or near Madras will be examined at the Civil Engineering College, and those in the Mofussil at the District Engineer's Office of the District in which they reside.

The following are the tests for admission :—

(*a.*) *English*—Ability to write correctly and legibly from Dictation, and compose intelligibly a letter on a given subject, also to have a complete knowledge of Grammar.

(*b.*) *Vernacular Language*—In case of Europeans and East Indians, ability to translate into English easy sentences.

(*c.*) *Arithmetic*—The four Simple and Compound Rules, Reduction, Vulgar Fraction and Decimal Fractions.

(*d.*) *History*—The leading facts of the Histories of England and India.

(*e.*) *Geography*—The outlines of Geography generally, and the Geography of India in particular.

The Examinees will be ranked according to the merits of their papers, and the vacancies will be filled up in the order of their Proficiency.

The successful Candidates will have to attend the College at the commencement of the next Session, *viz.*, on the 3rd August 1874.

All Civil Students of the 2nd Department are required to pay a monthly fee of three rupees, and to provide themselves with a box of Drawing Instruments, a box of Colors, and the Text Books prescribed for the several Classes.

SPECIAL DEPARTMENT.

Entrance Examination.

An Examination of Candidates for admission into the Surveying and Drawing and Estimating Classes of the Special Department will be held on 1st and 2nd May next, for the purpose of filling up vacancies.

Candidates must be over 15 years of age, and must pass an Examination in the following subjects :—
English—Ability to write correctly and legibly from Dictation, together with a competent knowledge of Grammar.
Arithmetic.—The four Simple and Compound Rules, Reduction, Vulgar and Decimal Fractions.
The following Certificates must be furnished, *viz.* :—
Certificates of age (or baptism in case of Christians).
Certificates of health.
Certificates of vaccination or of having had small-pox.
Certificates of conduct from last school or tutor.
Applications will be received up to 20th April 1874.

Candidates at or near Madras will be examined at the Civil Engineering College, and those in the Mofussil at the District Engineer's Office of the District in which they reside.

SECOND DEPARTMENT.

Military Scholarships.

A Competitive Examination will be held in May next, for the admission of five European Military Students to the Civil Engineering College.

2. Any European Non-Commissioned Officer or Private of Her Majesty's British Forces of not less than 2 years' service of good character and under 25 years of age is eligible.

3. Those students who may be selected for admission will at once proceed to Bangalore, where they will be required to study the Vernaculars till the 1st August 1875, on which date if they can pass the regular Vernacular Examination they will join the College and become Stipendiary Students drawing Rs. 10 per mensem, in addition to the pay, rations, and clothing they draw with their Regiments.

4. Applications from Commanding Officers will be received by the Principal up to the 30th April, and must be accompanied by the following documents:—

Extract of Register.
Do Company Defaulter Book.
Do Regiment do.
Do Court Martial do.
Medical History Sheet.

5. The Examination papers will be despatched in sealed covers on the 1st May, and it is particularly requested that the Examination may take place as soon as possible after their receipt.

6. The following are the subjects in which Candidates will be examined:—
English—Dictation and Grammar.
Arithmetic—The whole
Euclid—First 4 Books.
Algebra—As far as Simple Equations.

7. It is to be clearly understood that Military Students while studying at Bangalore and at the Civil Engineering College are in the position of probationers. They will continue to be borne on the strength of the respective Regiments, and such of them as prove not to be qualified either in respect of character or attainments will be sent back to their Regiments.

8. On the other hand, those who prove in every way fit will be appointed Overseers in the Department Public Works.

EXAMINATION FOR CERTIFICATES OF QUALIFICATION.

The usual Half-yearly Examination of Candidates at the Presidency and in the Mofussil for Certificates of qualification as Overseers, Surveyors, Draughtsmen, and Estimators and Accountants will commence on the 4th May 1874.

Applications will be received up to 20th April.

Candidates at or near Madras will be examined at the Civil Engineering College, and those in the Mofussil at the District Engineer's Office of the District in which they reside.
